Entry Information:

- Limit of 25 entries (goats) per exhibitor.
- Once the maximum number of animals has been reached (250 total), registrations will be closed for both the Open and Youth shows.
- An exhibitor is defined as the owner or owners whose name(s) appears as the owner on the

registration or recordation certificate or stamped duplicate application. Multiple names under one ADGA ID number are considered one exhibitor. If entering under more than one ADGA ID number, you will need to create another entry account.

- Persons showing animals, whose registration/recordation certificates have signed transfers that have not been processed by ADGA must show those animals in the owner's name shown on ADGA records at that time.
- To minimize IRS notices and incorrect TINs on reporting forms, Cleveland County Fair does not accept entries in farm or family names. A farm or family must select one person to be listed as the exhibitor. This person will supply their SSN instead of the farm's TIN, as any premium checks will be made payable to that exhibitor.
- Youth organizations, including 4-H and FFA may enter under the organization's name, provided the organization owns the animal(s) and they are registered under the organization's ADGA ID number.
- Does competing in group classes must be owned by the exhibitor and shown in previous individual classes.

Rules & Regulations:

- The Open Senior Doe Show and the Open Junior Doe Show are sanctioned separately by the American Dairy Goat Association and is governed by their rules.
